Boehl von Faber, J. N., 1770-**1836**. *Pasatiempo crítico* . . . (Continued.)

The detractor is Mirtilo of the text, Antonio Alcalá Galiano.

Four pages, including the title-page, of the Tercera parte, evidently were misplaced in binding the volume, and may be found before [Segunda parte] which has no title-page.

The title of the Tercera parte, although shorter, includes the words "y del teatro antiguo español."

Although the pagination is continuous, the Apendice de algunas lecciones al editor de la Crónica has a title-page of its own.

Handwritten text, possibly a signature or a date, located in the bottom right corner. The text is faint and difficult to read, but appears to include the word "October" and some numbers.
